 Lipogems International

The information presented is intended solely for the use of healthcare professionals. A physician or healthcare provider must always rely on his or her own professional clinical judgement when deciding whether to use a particular product when treating a particular patient. Lipogems does not dispense medical advice and recommends that healthcare providers be trained in the use of any particular product before using it.

The information presented is intended to demonstrate a Lipogems product. A surgeon must always refer to the package insert, product label, and/or instructions for use before using any Lipogems product. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Lipogems representative if you have any questions about the availability of Lipogems in your area.

Lipogems or other corporate affiliated entities own, use, or have applied for the following trademarks or service marks: Lipogems. All other trademarks are trademarks of their respective owners or holder: Lipogems.
